Housing

Bunk Housing

For those who believe a retreat requires basic living and economy, Mohaven's bunk cabins are a cozy alternative. Mohaven has 10 cabin duplexes, each housing 2 bunk cabins. Interiors are insulated and lined with wood paneling and lowered drywall ceilings, and are heated for year-round useability. In each cabin are 4 bunk beds and 1 double bed, easily accommodating 10 guests.

A guest bath house is situated near each cluster of cabins, as there is no plumbing to the cabins. (200 people) (My guess is that half might be for the men and half for the women-they could also be used for families, etc.)

Hickory Guest House

Hickory Guest House is perfect for a family get-a-way to Mohaven's inspiring atmosphere. This guest house is a popular choice for church or family groups who come to Mohaven for a weekend retreat.

Hickory's fully furnished family room features a huge picture window and cozy fireplace, with equipment for video watching. A family-sized full bathroom and stocked kitchenette bring special conveniences to guests. Three bedrooms feature bunk, twin, and full sized beds than can sleep up to 8 people. Completely heated and air conditioned, this is a choice for year-around comfort! (8 People)

Sycamore Guest House

Sycamore Guest House, formerly known as the 'Staff House,' is a favorite for multi-family retreats. Located next to the dining hall, it lies at the edge of Mohaven's expansive lawn and faces the children's playground and the swimming pool. The 4 bedrooms comfortably sleep at least 8 persons without pulling out the hide-a-beds or setting up port-a-cribs. There are two full-sized bathrooms with a tub and shower. A large living room with a studio kitchenette and dining area are graced by a huge fireplace opposite two magnificent picture windows. A TV monitor and video equipment are present for a quiet movie time. (8 to 10 people)
