

## UFO's + The Bible = ?

Before we move into our study concerning how UFOs... (that is unidentified flying objects) pertain to what we find in our Scripture... I think it's important to know and to understand that the biblical narrative in no way disregards the idea of strange beings intermingling with the human race here on earth. And I think that you will agree with me after we conclude our journey into this particular topic, that truth is indeed stranger than fiction.

As Christians who are followers of the only begotten son of the one true God of Abraham Isaac and Jacob, we are held to a higher standard than the rest of the world. We are called to build our houses on the rock, and not in the sand. We are called to be the salt of the earth. We are called to be a city on a hill, and not only a city on a hill... But a city of light. According to our Scripture, "light" and "truth" are synonymous. In other words, they are the same.

As Christians who are followers of the only begotten son of the one true God of Abraham Isaac and Jacob, we are also called to watch. Matthew 24:42-43:

*Mat 24:42 Therefore, stay awake, for you do not know on what day your Lord is coming.*

*Mat 24:43 But know this, that if the master of the house had known in what part of the night the thief was coming, he would have stayed awake and would not have let his house be broken into.*

Matthew 2-3:

*Mat 16:2 He answered them, "When it is evening, you say, 'It will be fair weather, for the sky is red.'*

*Mat 16:3 And in the morning, 'It will be stormy today, for the sky is red and threatening.' You know how to interpret the appearance of the sky, but you cannot interpret the signs of the times.*

Interpreting the signs of the times should not be as difficult for us in our day, as it was for the people back in Yeshua's time. Today we all have televisions, and radios, and satellite systems that watch over the earth, we have cell phones, computers, laptops, notebooks, and a wide variety of ways to interpret the signs of the times.

Now granted... It all depends on how we use all of these technologies, that dictates our ability to interpret the signs of the times. Some people have their heads in soap operas, and sitcoms,

and comedy shows, and music videos, and award ceremonies, and sports and frivolous things that literally suck the heart and soul out of the human body and extinguish any light that had emanated from it. Matthew 5:13-16:

*Mat 5:13 "You are the salt of the earth, but if salt has lost its taste, how shall its saltiness be restored? It is no longer good for anything except to be thrown out and trampled under people's feet.*

*Mat 5:14 "You are the light of the world. A city set on a hill cannot be hidden.*

*Mat 5:15 Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house.*

*Mat 5:16 In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.*

And so, it is because we do build our houses on the rock of truth, and because we are the salt of the earth, and the light of the world shines forth from within us... it's important for us to guard what we have been given. Ephesians 6:12-18:

*Eph 6:12 For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places.*

*Eph 6:13 Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm.*

*Eph 6:14 Stand therefore, having fastened on the belt of truth, and having put on the breastplate of righteousness,*

*Eph 6:15 and, as shoes for your feet, having put on the readiness given by the gospel of peace.*

*Eph 6:16 In all circumstances take up the shield of faith, with which you can extinguish all the flaming darts of the evil one;*

*Eph 6:17 and take the helmet of salvation, and the sword of the Spirit, which is the word of God,*

*Eph 6:18 praying at all times in the Spirit, with all prayer and supplication. To that end keep alert with all perseverance, making supplication for all the saints,*

according to the apostle Paul we do not wrestle against flesh and blood, but against something else. Against something different than flesh and blood. The apostle Paul went through great lengths to describe exactly what it is that we do wrestle against. According to the apostle Paul, we do not wrestle against mankind. Obviously, mankind is made of "flesh and blood." And so, it should be clear to us that whatever it is that we wrestle against... it is not man, but something very different.

Here in verse 12 the apostle Paul tells us that what we wrestle against the spiritual forces of evil in heavenly places. Rulers, and authorities and cosmic powers which seem to be a host of things that are again not made of flesh and blood.

And I want to be very clear here... in verses 14 through 18, the apostle Paul tells us to be ready for battle. He's telling us to suit up. He's warning us to make ready. He talks about us fastening on belts, and breastplates, and having shields and helmets and swords, which are all elements of war. And every one of these elements can be found within the pages of our Scripture. Truth, righteousness, readiness, faith, salvation, and the most lethal of them all... the "spirit", which is the word of God. Greater is he who is within us, than he who is in the world. But let us make no mistake about it my friends... the word of God is... the nuclear option.

Having put on all of these armaments, and making ourselves ready, and understanding each one of the elements that we've just listed here... we must prepare for what may be our adversaries most lethal deception. There are all kinds of deceptions that he has seeded the earth with throughout the halls of time, but there is a great deception coming according to the Scripture that will try to sift even the very elect. Matthew 24:24:

*Mat 24:24 For false christs and false prophets will arise and perform great signs and wonders, so as to lead astray, if possible, even the elect.*

Let me ask you my friends, what kind of false prophet could it be... that would have the power to perform great signs and wonders as to lead astray, if possible... even the very elect of God? I want us to think about that question for just a moment. What kind of false prophet could possibly have a powerful enough deception to lead astray even the very elect?

For those of us who have been watching our news outlets from around the world on a daily basis, and have been keeping our ear to the ground for what that latest deception might possibly be... I would submit to you that it would be foolish for us to exclude the very paranormal entities that the apostle Paul has just warned us about in the sixth chapter of the book of Ephesians.

I would submit to you my friends that the little "g" gods of Moses time are poised to make a grand entrance onto the world stage, in fact... I would submit to you that they're already here. (PLAY VIDEO HERE)

The gods of the Old Testament have returned, and they have returned with a vengeance. The little "g" gods of the Old Testament times are running rampant across the face of the earth today in our time. Tammuz, Mithra, Baal, Moloch, Horris, Osiris, Astarte, you name it... they have returned with a vengeance, and they are doing all that they can to put our children and our children's children in shackles and to bind them in chains of eternal darkness.

The fallen Angels that we read about in the book of Jude, the "Bene Elohim"... (also known as the "sons of God") that we find in the sixth chapter of the book of Genesis, along with their wicked offspring, also known as the "Rephaim", have been diligently seeking a way to reestablish their physical presence back on the earth in our time. Our Father in Heaven destroyed the Nephilim from the face of the earth through the great flood of Noah's time, but

their offspring continued to live on throughout the times of the Kings of Israel and throughout David's time.

Our Messiah who was created from the loins of David according to second Samuel chapter 7... is well aware of who, and what these extraterrestrial beings are, and where they come from. What better place would there be for a false prophet to come from... other than... from these evil rulers, and authorities, and from these cosmic powers and spiritual forces, and what the apostle Paul calls "the heavenly places"?

Let's be clear here my friends... what the apostle Paul is talking about when he says, "the heavenly places" are indeed other dimensions. They come from another dimension that we cannot see, touch, taste, smell, or hear... unless... they want us to. "The heavenly places" that Paul is talking about in the sixth chapter of the book of Ephesians are not places that we can venture into as long as we are still trapped in these flesh and bone bodies that we now exist in.

These other rulers, and authorities of darkness are not to be underestimated. These rulers, and authorities of darkness have a surmountable amount of knowledge that we do not have. They have been able to trick and tempt, and torment mankind for thousands of years. They have been able to steer the events of mankind here on earth. They have infiltrated the halls of our justice systems... they have blanketed our children's schools and learning centers around the world with wicked teachings and demonically inspired illusions. They have infiltrated our magistrates, Kings, Queens and presidents throughout history have been ruthlessly manipulated, targeted, tempted and sifted by these rulers and authorities of darkness that continuously try to make their presence known all across the face of the earth. The prince of the power of the air is soon to become the prince of the power of the earth. And not just in a spiritual sense... But also in a physical sense. Second Thessalonians 2:1-17:

*2Th 2:1 Now concerning the coming of our Lord Jesus Christ and our being gathered together to him, we ask you, brothers,*

*2Th 2:2 not to be quickly shaken in mind or alarmed, either by a spirit or a spoken word, or a letter seeming to be from us, to the effect that the day of the Lord has come.*

*2Th 2:3 Let no one deceive you in any way. For that day will not come, unless the rebellion comes first, and the man of lawlessness is revealed, the son of destruction,*

*2Th 2:4 who opposes and exalts himself against every so-called god or object of worship, so that he takes his seat in the temple of God, proclaiming himself to be God.*

*2Th 2:5 Do you not remember that when I was still with you I told you these things?*

*2Th 2:6 And you know what is restraining him now so that he may be revealed in his time.*

*2Th 2:7 For the mystery of lawlessness is already at work. Only he who now restrains it will do so until he is out of the way.*

*2Th 2:8 And then the lawless one will be revealed, whom the Lord Jesus will kill with the breath of his mouth and bring to nothing by the appearance of his coming.*

*2Th 2:9 The coming of the lawless one is by the activity of Satan with all power and false signs and wonders,*

2Th 2:10 *and with all wicked deception for those who are perishing, because they refused to love the truth and so be saved.*

2Th 2:11 *Therefore God sends them a strong delusion, so that they may believe what is false,*

2Th 2:12 *in order that all may be condemned who did not believe the truth but had pleasure in unrighteousness.*

2Th 2:13 *But we ought always to give thanks to God for you, brothers beloved by the Lord, because God chose you as the firstfruits to be saved, through sanctification by the Spirit and belief in the truth.*

2Th 2:14 *To this he called you through our gospel, so that you may obtain the glory of our Lord Jesus Christ.*

2Th 2:15 *So then, brothers, stand firm and hold to the traditions that you were taught by us, either by our spoken word or by our letter.*

2Th 2:16 *Now may our Lord Jesus Christ himself, and God our Father, who loved us and gave us eternal comfort and good hope through grace,*

2Th 2:17 *comfort your hearts and establish them in every good work and word.*

Most Christians who read their Bibles will not challenge the fact that the devil himself will manifest himself physically onto the world stage at some point in time. However... today's modern-day professing Christians are often times all too quick to rebuke that very idea... or the very concept of a physical manifestation of a demon on earth. And they are all too quick to dismiss it as "conspiracy theory". When a brother or sister brings up the idea of evil physically manifesting itself upon the face of the earth in an alien form, Christians today laugh and mock what is being presented to them before their very eyes.

What would happen if this false prophet... who is able to fool even the very elect... came with an entourage? Because we know that the devil himself has quite an entourage does he not? What if this man of perdition who has the power to bring fire down from the heavens upon the earth, and has the power to perform all kinds of false signs and wonders, had legions of demons that obeyed his every command come along with him? And what if that entourage was already here... mingling themselves with mankind... showing mankind secret things, and giving mankind a knowledge and inability that does not come from the one true God of Abraham Isaac and Jacob?

What if this entourage was preparing mankind for the great rebellion... when the man of lawlessness is revealed? As for those of us who have been watching all of the signs that our Messiah told us would be the birth pains just before his coming... we have seen many who have come in his name saying, "I am the Christ". How many Roman Catholic Popes have there been all proclaiming "I am the Christ", not to mention those demonically inspired false prophets outside of the Roman Catholic Church that have claimed to be the Messiah in the flesh, most of which who have left a trail of dead bodies behind them?

We've seen nation rising against nation and kingdom rising against kingdom. We've seen famines and earthquakes in various places. We've even seen Christians being delivered up to

tribulation and being put to death and being hated by all nations for his namesake. How many nations did we just watch a couple of weeks ago, condemn the very idea that Jerusalem is indeed the capital of Israel, and belongs to the Jewish people? The nations of the world absolutely hated what Pres. Trump had done in announcing Jerusalem as the capital of Israel. And I would submit to you my friends that many have already fallen away and betrayed one another and hate one another because of these false prophets that have arisen and lead many astray. And I would submit to you that because lawlessness has been increased... The love of many has already grown cold.

And so, the question then becomes... how much longer? How much longer could possibly be before we find out who this son of perdition is? How much longer will it be before disclosure?

I think it's pretty safe to say that most of us who are indeed true Messiah following, Scripture reading, cross carrying believers... we have noticed something very peculiar within today's news media. I think it's safe to say that most of us have noticed an uptick if you will, in our news industry's coverage of UFOs and little green men that come from other planets.

The word "disclosure" is now on the tip of everyone's tongue concerning UFOs, and alien contact. Here are just a few articles that we have seen make their way into our news headlines over just the past few months.

Fighter pilot chases UFO, urges world leaders to take the threat of aliens seriously:

<http://www.foxnews.com/science/2018/01/02/fighter-pilot-chases-ufo-urges-world-leaders-to-take-threat-aliens-seriously.html>

For some people, the idea of UFOs and extraterrestrial aliens is nothing but “conspiracy theory”. But for those of us who are seeking the truth... we can know and understand that there is an insurmountable amount of not only evidence... but credible eyewitnesses who are clearly not worthy of being discounted.

It may be one thing for a homeless wino to say that he saw a UFO or that he came in contact with aliens, but to hear the eyewitness account of these UFOs and extraterrestrial beings coming from F-15 pilots, Dr. Richard Haines an aerospace researcher retired from NASA, Franklin Carter a United States Navy radar specialists, Harry Allen Jordan a United States Navy radar operator from the USS Roosevelt, Enrique Kolbeck a Senior air-traffic controller from the Mexico city international Airport, John Callahan a Senior FAA official who performed accident investigations, Chuck Sorrels an air-traffic controller from Edwards Air Force Base, Fredrick Fox a United States Navy pilot with top-secret nuclear clearance, Lieut. Col. Robert Salas a United States Air Force SAC Launch Officer/Engineer, Prof. Robert Jacobs from the United States Air Force Vanderburgh Air Force Base, Sgt. Carl Wolfe from Langley Air Force Base Virginia tactical air command, Gordon Creighton, military intelligence from the Ministry of Defense, astronaut Edgar Mitchell from Apollo 14 who was the sixth man to walk on the moon.

If we cannot believe these men, concerning the fact that UFOs are indeed real, and so too are these alien beings... then who are we going to believe? As Christians, it’s important for us to remember what is written within the pages of our Scripture. And so, before we walk away from these men who are of very prominent stature among our society... and before we waved them off as crazy lunatics, or liars... we need to remember what is written in the Scripture that confirms every charge. Second Corinthians 13:1:

*2Co 13:1 This is the third time I am coming to you. Every charge must be established by the evidence of two or three witnesses.*

Deuteronomy 19:15:

*Deu 19:15 "A single witness shall not suffice against a person for any crime or for any wrong in connection with any offense that he has committed. Only on the evidence of two witnesses or of three witnesses shall a charge be established.*

John 8:17:

*Joh 8:17 In your Law it is written that the testimony of two people is true.*

And so according to Scripture, there is much more than meets the eye here. And according to Scripture, there is much more that we need to understand before we simply write these things off and count them as “conspiracy theory”.

What do you suppose would happen around the world, if a mile wide spacecraft landed on the White House lawn... and some man like creature were to walk out of that unidentified flying object and told the world that he was God, and that he had all the answers to all the world's problems?

Within the pages of our Scriptures we have plenty of paranormal accounts that we could choose from to justify the well-known fact that there are other dimensions, and that there are other dimensional beings. First Corinthians 15:9-44:

*1Co 15:39 For not all flesh is the same, but there is one kind for humans, another for animals, another for birds, and another for fish.*

*1Co 15:40 There are heavenly bodies and earthly bodies, but the glory of the heavenly is of one kind, and the glory of the earthly is of another.*

*1Co 15:41 There is one glory of the sun, and another glory of the moon, and another glory of the stars; for star differs from star in glory.*

*1Co 15:42 So is it with the resurrection of the dead. What is sown is perishable; what is raised is imperishable.*

*1Co 15:43 It is sown in dishonor; it is raised in glory. It is sown in weakness; it is raised in power.*

*1Co 15:44 It is sown a natural body; it is raised a spiritual body. If there is a natural body, there is also a spiritual body.*

We can also talk about Jacobs ladder found in Genesis chapter 28 verse 12, or we could talk about Ezekiel's wheel found in Ezekiel chapter 1 verse four, or we could compare that to what is described as a cherubim and Ezekiel chapter 10 verses five through 20, or we could talk about talking donkeys and floating ax heads if you like... all found within the confines of our God breathed Scriptures. And so, the idea of heavenly beings ascending and descending from heaven to earth is certainly not a new concept as far as what we find within the context of our Bibles. And yet... there are many of us who are Christians... who flat out rebuke and deny what they have been told by their brothers and sisters who are also Christians, concerning any kind of interdimensional beings that they have come into contact with. Hebrews 13:2

*Heb 13:2 Do not neglect to show hospitality to strangers, for thereby some have entertained angels unawares.*

I want us to stop and think for just a minute before we rebuke our brothers and sisters who are trying to tell us that unidentified flying objects and interdimensional beings are real. If demons are able to tempt man... and even at times are able to possess the body of a man according to Scripture... how is it that we can so easily reject the idea of a demon interaction with humankind?

If man can indeed clone himself, and if man can indeed clone animals... and even an extinct woolly mammoth... how is it then, that we cannot believe that man himself cannot create a

soulless creature? And if man can create a soulless creature through cloning, then how is it that we cannot believe that demons may have taken possession of any one of these cloned beasts that man has created through his newfound religion of science?

I want us to think about these concepts for just a moment. I want us to realize how advanced mankind is within the confines of genetics, and nanotechnology, and atom crushing, and DNA structuring. Do you know that in 20 to 30 years scientists are now saying that we will have designer babies, and that parents will be able to request blue eyes or brown eyes for their newborn infants?... A small chubby child or a tall thin child... a child with low medium or advanced intelligence. This is all done through what they are now calling “Crispr technology.”

When Baby Genes Are for Sale, the Rich Will Pay:

<http://fortune.com/2017/10/23/designer-babies-inequality-crispr-gene-editing/>

We can clearly see all of this genetic manipulation going on within the confines of man’s newfound religion called science. But what we can’t see, is where all of this knowledge came from, not to mention what it needs to. And I want us to think about this for just a moment. Thomas Edison didn’t invent the electric light bulb until 1879. Just 140 years ago we didn’t even have electricity... and look at what we have now a hundred and 40 years later.

Today we have the large hadron collider also known as “CERN”. Physicists from “CERN” have openly spoken about opening doorways to other dimensions. The subatomic world is a world that is vastly unknown to human beings, and I believe that there is a reason why the subatomic world is vastly unknown to human beings. Could this technology have been taught to mankind by unearthly beings from another dimension? Could it be that there are unearthly beings and principalities in heavenly places that are pining to once again infiltrate the bloodline of mankind and to subdue the earth? Could it be that the subatomic world is capable of removing the veil between us and the evil rulers and authorities and the cosmic powers of darkness and the spiritual forces of evil that Paul talks about in the sixth chapter of the book of Ephesians? Could it be that what man is doing at “CERN” could actually open the dimensional doors that allow the offspring of these fallen Angels to regain access upon the earth in our time? Could this large hadron collider actually open a demonic porthole that would remove the veil between us and these spiritual forces of evil that Paul speaks about in the book of Ephesians? Consider this...

The omnipresent and the ever-mighty Lord Shiva at CERN:

<http://www.trending360.org/2017/06/the-omnipresent-and-ever-mighty-lord.html>

I cannot tell you how many demonically inspired events have revolved around this large hadron collider and it’s supposed power to unlock dimensional doorways. Some scientists even claim that it could create a black hole which would devour the earth and everything around it. The point in all of this conjecture is that none of these physicists with all of their wisdom put together, knows what smashing all of these atoms together will bring about... or already has brought about that we simply don’t know.

Dr. Thomas horn wrote a very intriguing forward to a book entitled “The Day the Earth Stands Still, Unmasking the old gods behind ET’s UFOs and the official disclosure movement.” And I’d like to read for you a section of that forward.

*“As is referenced in chapter 2, in 1918 famed occultist Aleister Crowley attempted to create a dimensional vortex that would bridge the gap between the world of the seen and the unseen. The ritual was called the Amalantrah. According to Crowley he became successful when a presence manifested itself through the rift. He called the being “Lam” and drew a portrait of it. The startling image, detailed almost ninety years ago, bears powerful similarity with “Alien Greys” of later pop culture.*

*L. Ron Hubbard and Jack Parsons attempted to do this very thing by inviting the spirit of Babylon [their magical working was called Babalon] through a portal during a sex ritual. Their hope was to incarnate the whore of Babylon—a demon child or Gibborim. Parsons wrote that the ritual was successful and that at one point a brownish/yellow light came through the doorway. At the same moment he said he was struck by something invisible, and a candle was knocked out of his hand.*

*It is interesting that following Crowley’s magic portal (which produced the alien-looking LAM) and Hubbard and Parson’s Babalon Working ritual, Crowley died in 1947—the same year as the Roswell crash and the same year Kenneth Arnold [a friend of Parsons] saw his flying saucers and sightings of “aliens” increased around the world.*

*Was a portal indeed opened by these men’s invitations?[2] J. R. Church was very interested in the idea that men heavily involved in the occult with a strange UFO-alien twist and covertly connected with segments of this government’s aerospace endeavors might actually have opened a portal allowing the increase into our world of powerful demonic influences.”*

*Dr. Thomas R. Horn  
The Day The Earth Stands Still*

All of this may sound strange, and almost alien to those of our brothers and sisters who have not been studying these things for any length of time, however... for those of us who understand the numerous paranormal events documented within our Scripture... the idea of interdimensional beings influencing mankind is nothing new. Just as King Solomon had once written... “There is nothing new under the sun.”

As for the idea of these aliens coming from other planets... I would contend that the Scripture itself speaks against such a theory, not to mention the fact that science itself has no explanation for a craft or a ship that can move from a standing position, and then instantly move as fast as a bullet from a gun without instantly killing any life form that may be inside that craft or ship. This sheer GeForce would cause a biological entity to become paint on the wall of any craft or

ship that could move from 0 to 1000 miles an hour in the blink of an eye.

Our Scriptures tell us that the earth is at the center of the universe and everything else was made for purposes relating to the earth. For instance, the sun moon and stars were made for signs and for seasons and for days and years according to Genesis 1:14. Psalms 115:16 tells us that “the heavens are Yahovah’s heavens, but the earth he has given to the children of man.” Isaiah 34:4:

*Isa 34:4 All the host of heaven shall rot away, and the skies roll up like a scroll. All their host shall fall, as leaves fall from the vine, like leaves falling from the fig tree.*

This Old Testament Scripture that we find in the book of Isaiah fits perfectly with what we find in Revelation 21:1:

*Rev 21:1 Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more.*

If these UFOs and these aliens are indeed from other planets... according to the Scriptures they will all pass away because the first heaven and the first earth will indeed pass away according to Revelation 21:1. And so I think it’s safe to say that we have at least two witnesses that tell us that these aliens cannot be from other planets. One witness is the very science that man himself seems to agree with, and the other witness would be the Scripture itself in several places. So according to logic... both man and God agree that these unidentified flying objects and these beings cannot be “extraterrestrial,” but are rather... “Interdimensional.”

In the end... Humanity is going to see many paranormal things during these end time events. The idea of UFOs and aliens being interdimensional doesn’t seem so strange when we take into account what is written in Isaiah 13:1-5:

BRENTONS ENGLISH SUPTUIGENT:

*Isa 13:1 THE VISION WHICH ESAIAS SON OF AMOS SAW AGAINST BABYLON.*

*Isa 13:2 Lift up a standard on the mountain of the plain, exalt the voice to them, beckon with the hand, open the gates, ye rulers.*

*Isa 13:3 I give command, and I bring them: **giants are coming to fulfil my wrath**, rejoicing at the same time and insulting.*

*Isa 13:4 A voice of many nations on the mountains, even like to that of many nations; a voice of kings and nations gathered together: the Lord of hosts has given command to a war-like nation,*

*Isa 13:5 to come from a land afar off, from the utmost foundation of heaven; **the Lord and his warriors are coming to destroy all the world.***

*Isa 13:6 Howl ye, for the day of the Lord is near, and destruction from God shall arrive.*

It is written that our father in heaven would destroy the enemies of his only begotten son, and that he would make his enemies a footstool for his feet. I fear that the problem today’s modern-

day Christians have, is that they no longer believe in anything that they cannot touch, taste, see smell or hear, even though these things are without a doubt all around them. Even Elijah's assistant did not understand these spiritual truths until he saw them for himself. Second Kings 6:11-17:

*2Ki 6:11 And the mind of the king of Syria was greatly troubled because of this thing, and he called his servants and said to them, "Will you not show me who of us is for the king of Israel?"*

*2Ki 6:12 And one of his servants said, "None, my lord, O king; but Elisha, the prophet who is in Israel, tells the king of Israel the words that you speak in your bedroom."*

*2Ki 6:13 And he said, "Go and see where he is, that I may send and seize him." It was told him, "Behold, he is in Dothan."*

*2Ki 6:14 So he sent there horses and chariots and a great army, and they came by night and surrounded the city.*

*2Ki 6:15 When the servant of the man of God rose early in the morning and went out, behold, an army with horses and chariots was all around the city. And the servant said, "Alas, my master! What shall we do?"*

*2Ki 6:16 He said, "Do not be afraid, for those who are with us are more than those who are with them."*

*2Ki 6:17 Then Elisha prayed and said, "O LORD, please open his eyes that he may see." So the LORD opened the eyes of the young man, and he saw, **and behold, the mountain was full of horses and chariots of fire all around Elisha.***

Are UFOs real... and are aliens abducting humans and taking samples of their bodies in order to construct for themselves humanlike bodies? Are the "Bene Elohim", and the "Raphiam" of Noah's time getting ready to make their entrance onto the world stage so that they can war against the one true God of Abraham Isaac and Jacob when he comes with his giants to destroy the world and those who have sided with the God of this world? Will man himself be the one to open the bottomless pit, that ushers in the beast and his minions?

Those questions and more will be answered through the eyes of those who will be here when that great and dreadful day of Yahovah comes. As for you and I... we can only speculate what may be yet to come, but we should be able to cross off the idea of creatures from other planets coming to Earth if we read and understand what's written within the pages of our God breathed scriptures. Truth is often times stranger than fiction, and if the great deception is not out there in the stars... it may already be here walking among us, just as the apostle Paul has already warned us. And so, the next time you give a nod to a stranger as he passes by on the street, or when you greet someone at the marketplace... always be sure to remember to show hospitality, for by doing so you may have entertained angels unawares.
