Exodus 32b

Israel And The Anti-Christ

Last week as we began to venture into Exodus chapter 32, we spoke about some extremely important things concerning what was going on with this Golden calf incident at the foot of mount Sinai. And at the foot of mount Sinai we saw a division of the people. There were people within the house of Israel itself who loved Yah, and who truly understood who he was. And then on the other hand, there were people within the house of Israel who were doing all that they could to lead others astray, and away from the one true Elohim of Abraham, Isaac, and Israel by following after their own hearts and their own eyes.

Needless to say, Moses himself removed those from the house of Israel who did not truly believe. Those who did not come to him when he asked them who was on Yahovah's side were immediately removed from the house of Israel. And I think that this is an extremely important concept to understand because if we don't understand this division that we see going on within the house of Israel here in Exodus chapter 32, we're not going to understand why it was that our Messiah came at all. Just as Moses had divided the house of Israel from worldly people here in Exodus chapter 32, so too has our Messiah come to divide us from worldly people. Once again, the red-letter words of our Messiah himself clearly substantiate and solidify the concept of division and how important it is to keep ourselves divided from the rest of the world that does not truly believe in the truth of Yah's spoken word. **Luke 12:51-53 (scrn 1)**

Luk 12:51 Do you think that I have come to give peace on earth? No, I tell you, but rather division.

Luk 12:52 For from now on in one house there will be five divided, three against two and two against three.

Luk 12:53 They will be divided, father against son and son against father, mother against daughter and daughter against mother, mother-in-law against her daughter-in-law and daughter-in-law against mother-in-law.”

Too many of us in our human minds believe that our Messiah came to bring peace and unity. Even to this very day the Roman Catholic Church itself through its ecumenical drive to bring all religions under the umbrella of Catholicism wrongly and shamefully preach unity with the world, and peace through its own man-made wisdom and power. Clearly... they have no concept of what it was that our Messiah came to bring in the first place, or why he came to bring it.

Too many of us in our small human minds, think that unity and peace brought about through the wisdom of man is what we should be striving to achieve. But in reality, our Messiah clearly spoke against unity and peace with the world. In fact, we are told by the brother of our Messiah James, that he who makes himself a friend of the world makes himself an enemy of God. **James 4:4-7 (scrn 2)**

Jas 4:4 You adulterous people! Do you not know that friendship with the world is enmity with God? Therefore whoever wishes to be a friend of the world makes himself an enemy of God.

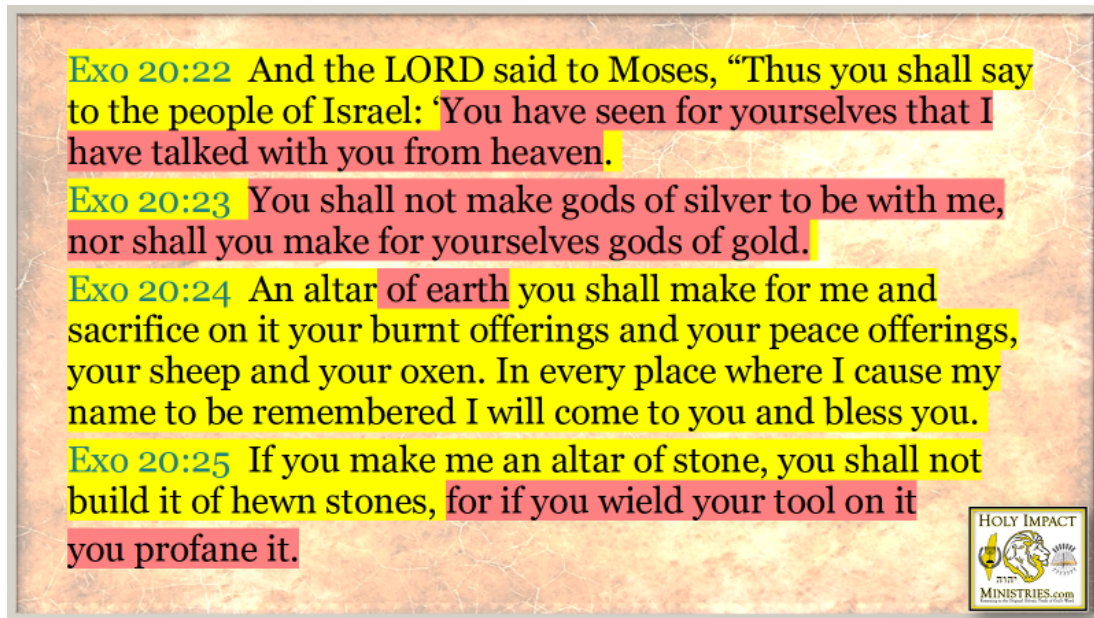

Jas 4:5 Or do you suppose it is to no purpose that the Scripture says, “He yearns jealously over the spirit that he has made to dwell in us”?

Jas 4:6 But he gives more grace. Therefore it says, “God opposes the proud but gives grace to the humble.”

Jas 4:7 Submit yourselves therefore to God. Resist the devil, and he will flee from you.

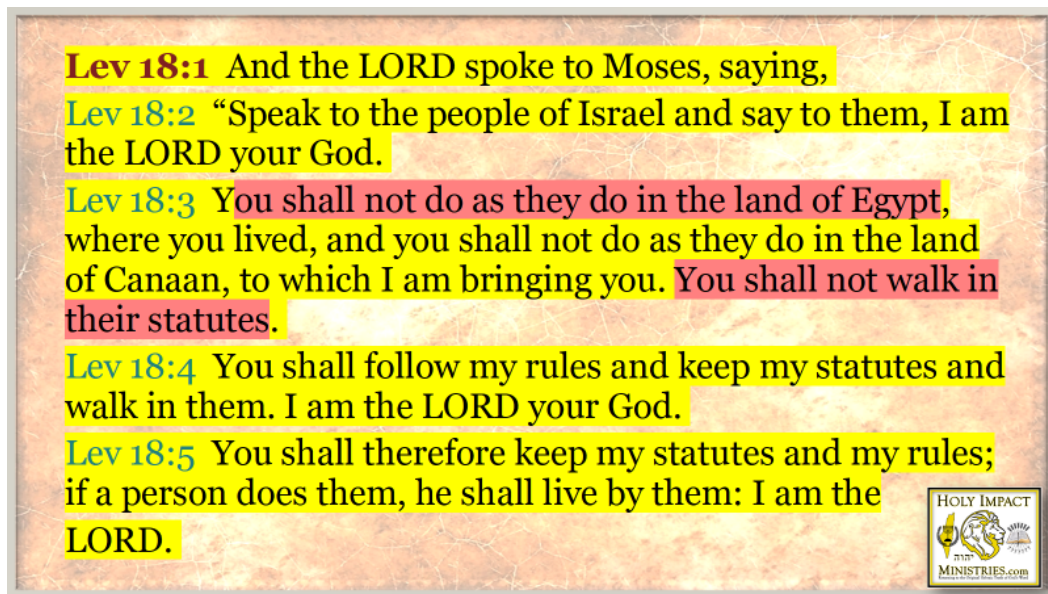

Those rabble-rousers within the house of Israel who were clamoring for an image of Yah to replace Moses, were indeed children of the serpent himself. Just as our Messiah had told the Pharisees and the scribes of his time that their Father was the devil himself, so too were those who were shouting for Aaron to blatantly break the commandment of Yahovah by creating for them a graven image to replace his brother Moses. They were clamoring for, and shouting for, and pushing for Aaron to defy the Elohim of Israel by doing exactly what he commanded them not to do when he spoke these very words to the house of Israel just a few weeks beforehand. Once again **Exodus 20:22-25 (scrn 3)**

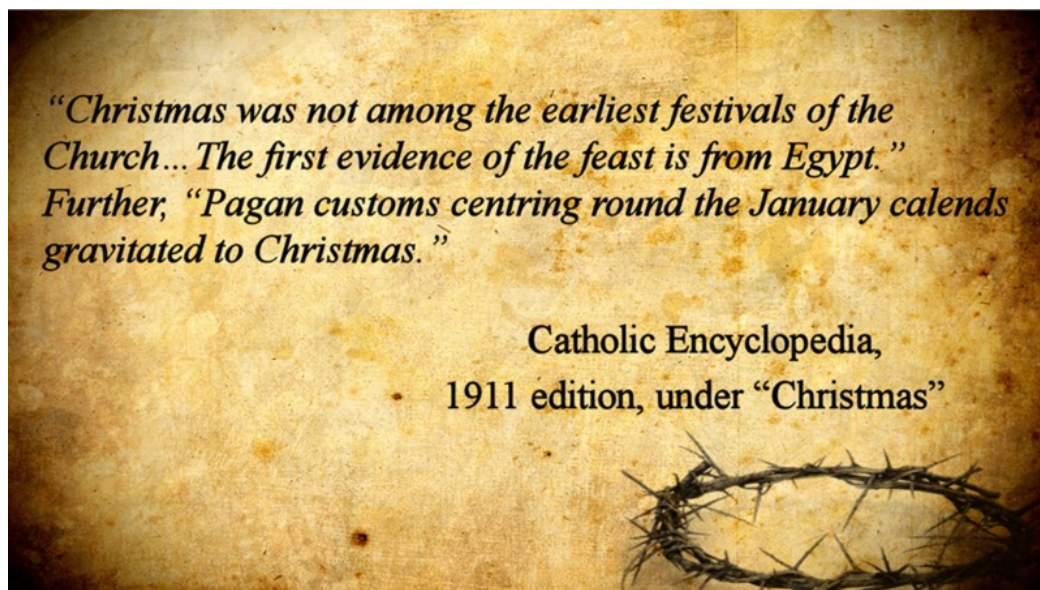

These people within the house of Israel itself who were demanding Aaron to make a god of gold for them were indeed the offspring of the serpent. They had made void the word of Yah in order to establish their own tradition. The tradition of creating idols came from Egypt. They had seen the gods of Egypt with their own eyes, and had decided that they also needed a god that they could see with their own eyes as well. Rather than following the ways of the Elohim of Israel, they had decided to follow the ways of Egypt. And because they had intentionally and willfully chosen the ways of Egypt over the ways of Yahovah, these wolves in sheep's clothing were exposed as the offspring of the serpent, and were quickly expunged from the house of Israel without delay.

We must remember that the Pharaoh of Egypt was a type and shadow of the devil himself, and Egypt was his kingdom. Everything that was done in the land of Egypt was done by the hand of HaSatan himself. And that is why we are commanded to this very day not to do as they do in the land of Egypt. The house of Israel already knew through the testimony of Yah that was given to them back in Exodus chapter 20 that they were commanded by Yah to keep Yah's commandments and Yah's commandments alone. Clamoring for a golden calf to be created that they could call a god, was 180° away from what their own God had just told them a few weeks ago. And we'll see our Father in Heaven consistently reminding the house of Israel not to do as

they do in the land of Egypt all throughout his Torah. A great example of this is found in **Leviticus 18:1-5 (scrn 4)**

And for those of you who think that we today are any better than the house of Israel of yesterday, I would simply remind you of what many modern-day professing Christians do each and every year, and sadly call the most holy Christian day of the year. Listen to what the Catholic encyclopedia has to say about the Roman Catholic created Festival of Christ mass; **(scrn 5)**

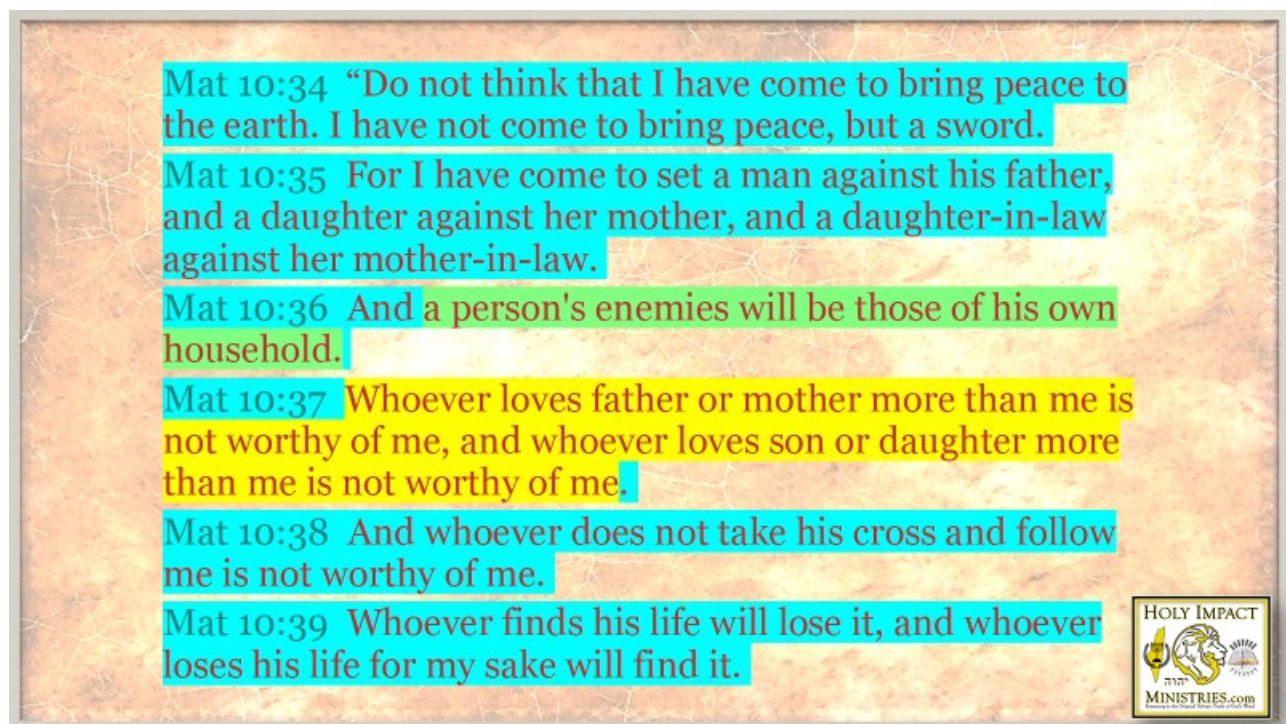

To this very day, wolves in sheep's clothing continue to teach and preach that we should return to the land of Egypt. To this very day, wolves in sheep's clothing standing behind today's modern-day pulpits are not directing us to keep the commandments of our Father in Heaven, but are instead, constantly leading us, and guiding us back into the throes of Egypt. And because we do not read our Bibles for ourselves... and because we do not study to show ourselves approved

as we were commanded, and because most of us are preprogrammed to only read the back half of the Bible... we have no concept of what the commandment of our Father in Heaven even is today. Nor do we know where these fake festivals come from.

The very Satanic religion of Catholicism itself who created Christ-mass in the first place, doesn't even try to hide it. The devil puts it right underneath our noses so that we are without excuse, so that the devil himself can accuse us before the Father of breaking his commandment... and we let him get away with it because we're too slothful, and too apathetic, and too lazy, to open the Bible for ourselves and read the commandment that was given by our Father in Heaven from the beginning. The truth of his spoken word that our Messiah said in Matthew chapter 5 would not pass away until Heaven and earth pass away and all things are accomplished, which does not happen until clear at the back of the book at the end of the age in Revelation chapter 21.

And so once again, as we have said many times over in this study, there is no difference between the house of Israel of Moses day, and the house of Israel today. And this is exactly why our Messiah came not to bring peace and unity, but to bring division. My friends one of the worst things that you can do is to believe in the Roman Catholic created ecumenical drive of world peace and unity. I would submit to you my friends that the red-letter words of our Messiah clearly refute world peace and unity with the world. **Matthew 10:34-39 (scrn 6)**

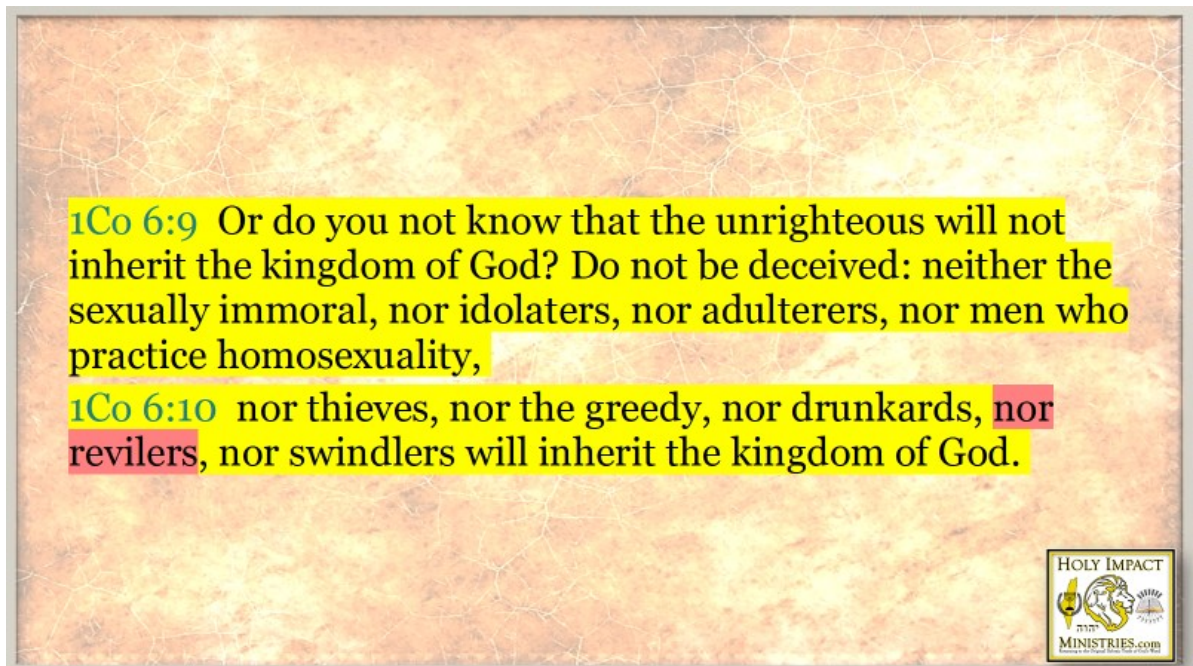

What we as modern-day Christians must understand is that just as the Elohim of Abraham, Isaac, and Israel is alive and well in working within our lives today... so too is the devil alive and well in working within our lives today. This is indeed a war that we fight, that is not a carnal war of tanks and bullets and cannons, and guns, but a spiritual warfare that is fought with

the truth that proceeds from the very mouth of the Elohim of Abraham, Isaac, and Israel.

Without the belt of truth, we have nothing, without the breastplate of righteousness we have nothing, without shoes for our feet that rush into the battle proclaiming the true gospel of peace we have nothing. Without the shield of faith that extinguishes all the flaming darts of the evil one, we have nothing. Without the helmet of salvation, and the sword of the spirit which is the word of God... we have absolutely nothing. Without praying at all times in the spirit with all prayer and supplication, we once again have nothing.

When we read through Exodus chapter 32 and we see Moses commanding the Levites to draw their swords and to kill their brothers and their companions and their neighbors, many will see this as cruel and unusual punishment. But I would submit to you my friends that it is because our Father in Heaven loves us as much as he does... that these rabble-rousers were cut out of the house of Israel. Moses knew that if he allowed these rabble-rousers to continue to flourish within the house of Israel and its assembly... they would eventually lead many of Yah's children back into Egypt.

Let there be no mistake about it my friends, there is a reason why we set wicked people outside of our assemblies today. When we look at the seven letters that were written to these seven assemblies by our Messiah in the first couple of chapters of the book of Revelation, we see our Messiah continuously telling them to rid themselves of the Jezebels. To rid themselves of the Nicolaitans. To rid themselves of those who call themselves Jews... and are not. And the apostle Paul teaches the exact same thing in the New Testament when he preaches against those who are revelers. **First Corinthians 6:9-10 (scrn 7)**

What we need to understand is that our Messiah came to bring division between Yah's people and the world. He did not come to bring division within the body. Those who call themselves

brothers, or sisters, within our assemblies who purposely lead people away from the commandment of Yah, and back to Egypt are indeed to be set outside of our assemblies without question. **First Corinthians 5:11-13 (scrn 8)**

1Co 5:11 But now I am writing to you not to associate with anyone who bears the name of brother if he is guilty of sexual immorality or greed, or is an idolater, reviler, drunkard, or swindler—not even to eat with such a one.

1Co 5:12 For what have I to do with judging outsiders? Is it not those inside the church whom you are to judge?

1Co 5:13 God judges those outside. “Purge the evil person from among you.”

Pastors and elders who allow people to thrive within their assemblies are no pastors and Elders at all. Pastors and Elders who allow division within the assembly are no pastors and Elders at all. Pastors and Elders have been called to be pastors and elders for two very specific reasons. And I would submit to you my friends that Moses was distinctly, and keenly aware of why he was called to pastor the house of Israel in his time. The apostle Paul lays it out nicely for us in **Ephesians chapter 4:11-14 (schemes 9)**

Eph 4:11 And he gave the apostles, the prophets, the evangelists, the shepherds and teachers,

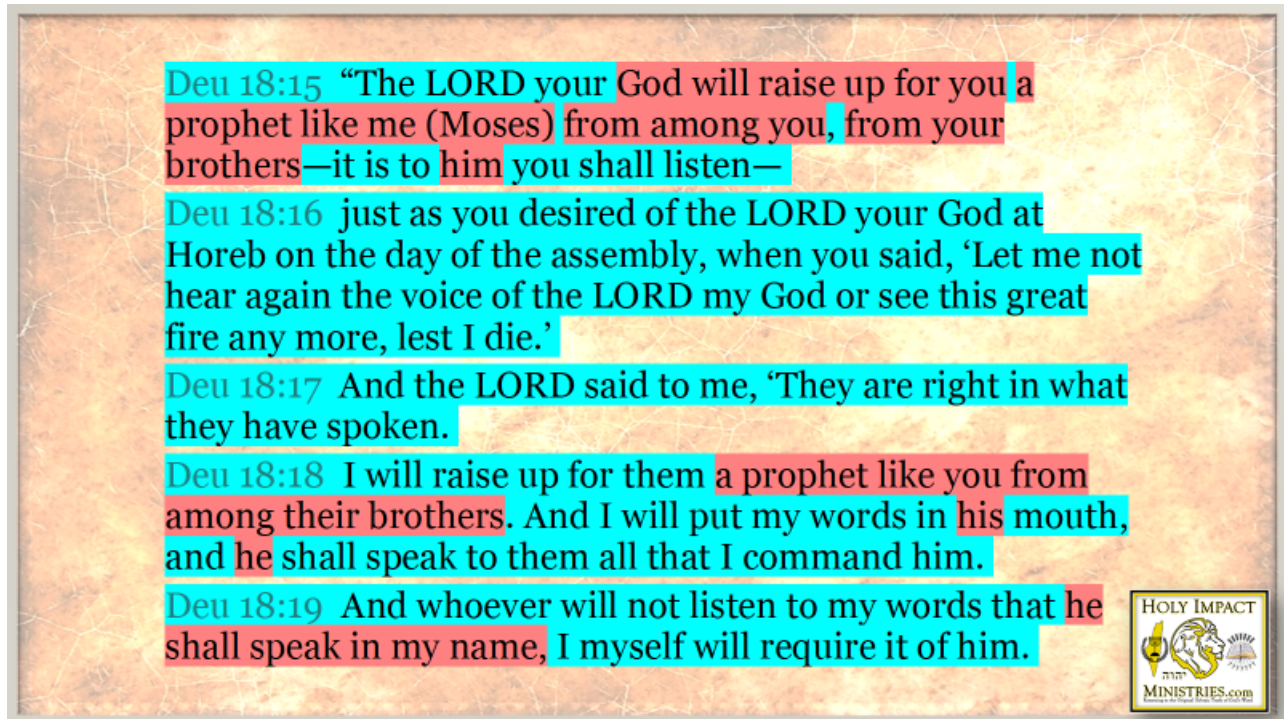

Eph 4:12 to equip the saints for the work of ministry, for building up the body of Christ,

Eph 4:13 until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ,

Eph 4:14 so that we may no longer be children, tossed to and fro by the waves and carried about by every wind of doctrine, by human cunning, by craftiness in deceitful schemes.

You see what Moses was doing by commanding the Levites to kill their brothers, and their companions, and their neighbors who were not for Yahovah... was equipping the Saints for the work of ministry and he was building up the body of their coming Messiah so that they could attain to the unity of faith in the knowledge of who their coming Messiah would be, and what he would bring them, which is the word of Yah his Father. The same thing that Moses had brought them. Yeshua was indeed a prophet like Moses. **Deuteronomy 18:15-19 (scrn 10)**

Moses was protecting the house of Israel by cutting off the head of the snake so that they would no longer be children tossed to and fro by the waves, and carried about by every wind of doctrine, by human cunning, and craftiness, and deceitful schemes. Moses was indeed a professional Pastor. Moses knew what he was doing. And I’m sure that there were many in the house of Israel who did not like what Moses was doing. But I’m also sure, that those who did not like what Moses was doing were also eradicated from the house of Israel.

Those who come against a man who has been called by Yah, and anointed by Yah, will come to nothing. And this is exactly why those of us who are called by Yah, and anointed by him, have nothing to fear from men. We fear not what man can do to the body, but only what our Father can do to both body and soul by casting them into the pit. We are wise enough to know that our Father is with us, through us, and around us, and the we are indeed one with him. And if we are indeed one with him... who then can be against us?

Understanding these things is important, and to solidify what we’ve just said here concerning the events of Exodus chapter 32, and the very straightforward, and immediate action that Moses took against the rabble-rousers of the house of Israel, I want us to clearly understand what the house of Israel was doing by building this Golden calf. And in order to better understand

exactly what they were doing; I want us to go back and reread **Exodus 32:1-5 E1**

Exo 32:1 *When the people saw that Moses delayed to come down from the mountain, the people gathered themselves together to Aaron and said to him, “Up, make us gods who shall go before us. As for this Moses, the man who brought us up out of the land of Egypt, we do not know what has become of him.”*

Exo 32:2 *So Aaron said to them, “Take off the rings of gold that are in the ears of your wives, your sons, and your daughters, and bring them to me.”*

Exo 32:3 *So all the people took off the rings of gold that were in their ears and brought them to Aaron.*

Exo 32:4 *And he received the gold from their hand and fashioned it with a graving tool and made a golden calf. And they said, “These are your gods, O Israel, who brought you up out of the land of Egypt!”*

Exo 32:5 *When Aaron saw this, he built an altar before it. And Aaron made a proclamation and said, “Tomorrow shall be a feast to the **LORD**.”*

There are some very important things here that we need to understand. One of the first things that we need to understand is what these rabble-rousers were proclaiming. Notice what they said in verse four. They said and I quote, “*These are your gods, O Israel, who brought you up out of the land of Egypt!*”. What does this Golden calf represent to them? This Golden calf is a clear representation of what we would know today as “*the antichrist*”. These rabble-rousers within the house of Israel were doing the things that they did back in Egypt. Messiah means, “anointed one”. Who was the anointed one of the house of Israel back in Moses time? Moses! Moses was the anointed one. Moses was anointed by Yah to lead the house of Israel out of Egypt by the hand of Yah. Moses was the Messiah... the anointed one of Israel in those days. And that is exactly why in Deuteronomy chapter 18 it is written that Yah would raise up for the house of Israel a prophet like Moses from among their brothers.

This Golden calf was built to replace Moses... the anointed one of Yah. And it's extremely important for us to get this, and to understand this concept. Antichrist, means anti-Messiah, which means anti-anointed one. The calf was meant to replace Moses the anointed one of Yah. This Golden calf was a representation of what we know today as the antichrist. The Golden calf was not meant to replace Yahovah himself. How do we know that? Read Exodus chapter 32 verse five. What does it say? It says and I quote, “*when Aaron saw this Golden calf, he built an altar before it. And Aaron made a proclamation and said, “Tomorrow shall be a feast to Yahovah”*”.

Aaron clearly calls Yah by his name when he says that there shall be a feast to Yahovah after creating this Golden calf. The calf was meant to represent Moses that would continue to lead them to the promise land promised to them by Yahovah. These rabble-rousers within the house of Israel had the truly built for themselves an antichrist... anti-anointed one to lead them.

The ramifications of what they had done would end their very lives. Do we see why it was so important for Moses to rid the house of Israel of these rabble-rousers? Do we see what they had done? Do we see how important it is to set these rabble-rousers outside of our assemblies today in our time?

As we've said many times within this particular study, man does not have the ability to make anything holy. Only Yah can ordain something, someone, or some place as holy. When man tries to anoint something as holy, he is imitating Yah. Imitating Yah can be a good thing if we are imitating him through his commandment, and his loving kindness. However... if we are imitating Yah to gain power and authority over our brothers and sisters, and we are attempting to sit on the throne of Yah, we are then in great danger of becoming the rabble-rousers of the house of Israel who were put down by Moses. The rabble-rousers of the house of Israel were attempting to sit on the throne of Yah by creating, and making this golden calf that they had made with their own human hands... and calling it "*a god*", and calling it holy, and anointed in order to replace Moses. This Golden calf was nothing more than a bunch of ear rings that had been melted down in order form an image of a beast. Sound familiar? "*The image of the beast*"?

And I would submit to you that this Golden calf was not the only shadow picture of the antichrist that we see here in Exodus chapter 32. What happened to the rabble-rousers of the house of Israel, who were sinners back in Moses day... will once again happen to all sinners upon the face of the earth at the end of the age. They too, will all be cut down just as they were in Exodus chapter 32. **Revelation 14:14-20 E2**

Rev 14:14 Then I looked, and behold, a white cloud, and seated on the cloud *one like a son of man*, with a golden crown on his head, and a sharp sickle in his hand.

Rev 14:15 And another angel came out of the temple, calling with a loud voice to him who sat on the cloud, "*Put in your sickle, and reap, for the hour to reap has come, for the harvest of the earth is fully ripe.*"

Rev 14:16 So he who sat on the cloud swung his sickle across the earth, *and the earth was reaped.*

Rev 14:17 Then another angel came out of the temple in heaven, and he too had a sharp sickle.

Rev 14:18 And another angel came out from the altar, the angel who has authority over the fire, and he called with a loud voice to the one who had the sharp sickle, "*Put in your sickle and gather the clusters from the vine of the earth, for its grapes are ripe.*"

Rev 14:19 So the angel swung his sickle across the earth and gathered the grape harvest of the earth and threw it into the great winepress of the wrath of God.

Rev 14:20 And the winepress was trodden outside the city, and blood flowed from the winepress, as high as a horse's bridle, for 1,600 stadia.

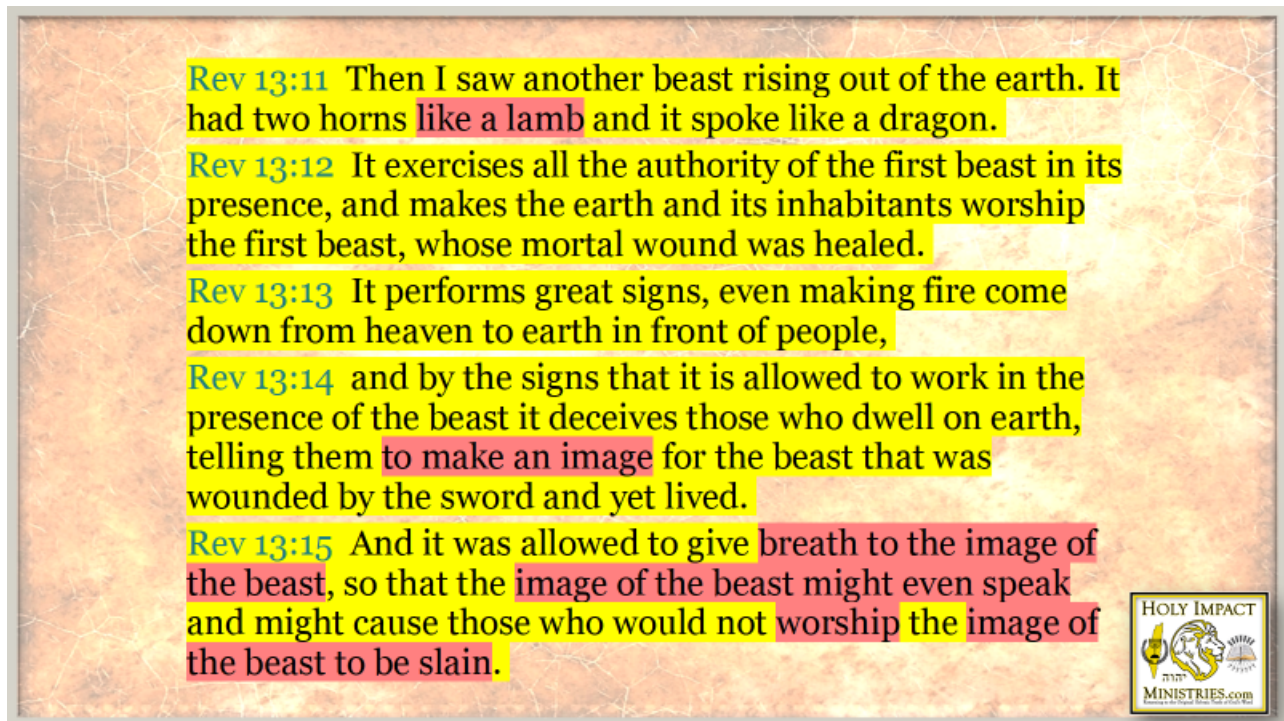

Just as Moses had called the Levites to slaughter the rabble-rousers who were the sinners of

the house of Israel, so too will our Messiah (just like Moses) slaughter the rabble-rousers of the earth who are sinners.

With all of this in mind, I want us to think for just a moment about what graven images we might have that have replaced our Messiah. Do we have any graven images that we might have replaced our Messiah with? Do we have any pictures of what we think our Messiah looks like hanging on our walls? Do we have any enshrinement's in our homes with a picture of Jesus that we pray to? Do the denominational charters, and churches that we attend willfully and intentionally do these things? Is there a fake picture of a fake Jesus hanging on the wall of the sanctuary where you attend? We must remember that this Golden calf was a replacement of the anointed one of Yahovah. And the rabble-rousers of Israel even sacrificed to this image of the beast that they had created. This worship of an inanimate object was in direct violation of the commandment that Yah had given them just a few weeks earlier.

Are we breaking this commandment today in our time? You see my friends it's all about the image of the beast. This image will be an image that will be worshiped. And in the end, this is what it's all about. It's about... what we worship.

Those who worship the beast will be cast into the pit. Those who worship the true creator of the heavens and the earth, will be harvested and brought into the kingdom. It's all about creating a fake image, and worshiping that fake image instead of our Father in Heaven and the truth of his spoken word. **Revelation 13:11-15 (scrn 11)**

Who was the first beast that was raised up from many waters (also known as many people)?

This my friends would be pagan Roman Catholicism. Who is the second beast that has been raised up from the land? This I believe is the United States of America, and the two horns of this second beast that is like a Lamb and speaks like a Dragon represent both church and state, which are the foundations upon which the United States of America was built. It has always been about a war between church and state. True faith in Yah, versus man's created state, or rule of government. Will we worship Yahovah, or will we worship the false image of Yahovah that man has created for us to worship?

At some point in time the United States of America I believe, will join hands with Roman Catholicism and cause the world to bow down to the beast which is Roman Catholicism. The United States of America this very week is making fire come down from Heaven to the earth in front of people in Iraq. I believe that there is a great division within the United States of America that will cause many to turn back to what they think is the God of Israel. But what they turn back to will not be the God of Israel. The god of this world who loves to dress himself up like an Angel of light will fool many into worshiping him. And it will be the god of this world masquerading as the God of Israel that leads them to destruction. And it will be this new image of Catholicism that will speak to the hearts of the lost... and cause them to worship the image of the beast and to be slain.

Pagan Roman Catholicism my friends is the Golden calf. It has replaced our Messiah, the anointed one of Israel. And those who have built it, will be slain. And those who build an image for it will be slain.

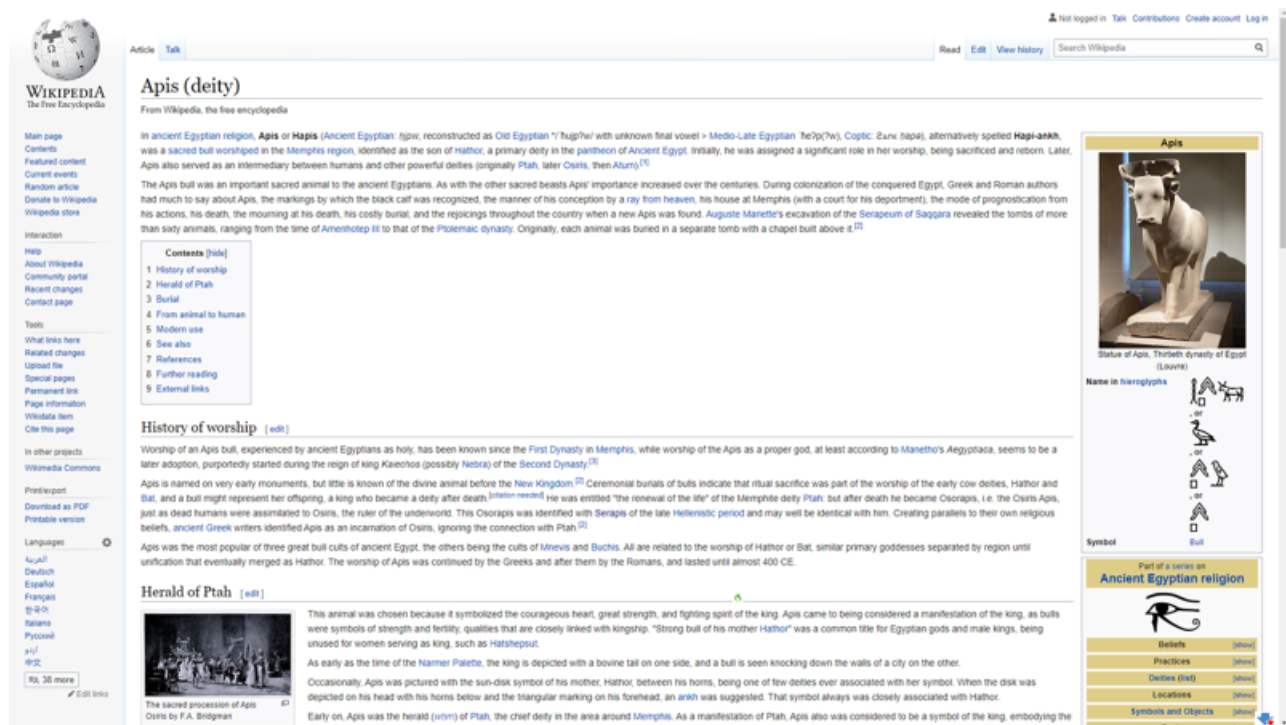

Make no mistake about it my friends, what we see in the beginning of the Bible directly correlates to what we see at the end of the Bible. There is no other book like this book. This book that we hold in our hands is indeed God breathed. This book that we hold in our hands is a living breathing book. It is the living breathing word of Yahovah. Everything that our Father in Heaven does to teach us, is done in patterns. We must look for, and understand these patterns so that we can understand the whole story and not just half of it.

Many men have come and gone who have created many golden calves. So-called "*early church fathers*", Bible commentators, so-called "*rabbis*", so-called "*fathers*", theologians, denominational charters of men, councils of men, have all been working diligently throughout the ages... through the agency of their father the devil to create an image of a beast that they could finally get the world to bow down to. And we we'll see that golden calf once again rare its ugly head possibly in our time.

The Golden calf of Exodus chapter 32 plays a significant part in the prophecy given to us through the prophets concerning the end of the age. A man who today sits upon a Golden throne claiming to be the image of our Messiah is right now drawing all the religions of the world under the umbrella of his false religion to unity and peace. While at the same time, our Messiah is still busy bringing division and separating the wheat from the chaff.

Know this my friends... When people are saying, “there is peace and security”, then sudden destruction will come upon them as labor pains come upon a pregnant woman, and they will not escape. That day will indeed come to many like a thief in the night. But we are not in darkness for that day to surprise us like a thief, because we are indeed children of the light, children of the day. We are not of the night, or of the darkness.

And so, it is important for us not to sleep as others do, but for us to stay awake and be sober. It's imperative that we put on the breastplate of true faith, and of true love, and for a helmet the hope of salvation that we have been promised. Yah has not destined us for his wrath, but to obtain salvation through his only begotten Son who died for us so that whether we are alive, or asleep in the grave, we might live with him. (scrn 12)

[https://en.wikipedia.org/wiki/Apis_\(deity\)](https://en.wikipedia.org/wiki/Apis_(deity))

The Golden calf itself was a common image used by almost every Middle Eastern pagan culture. In ancient Egyptian religion this image was known as the “Apis” or the “Hapis”. And it was a sacred bull worshiped and identified as the son of Hathor a primary deity in the pantheon of ancient Egypt. Surprisingly enough, this son of Hathor was said to have been sacrificed, and reborn. Later, Apis also served as an intermediary between humans and other powerful deities.

Sacrificed and reborn... a mediator between God and man. Sound familiar? Understand why it was so blasphemous in the eyes of our Father? We see, the devil only thinks that he is smarter than his creator. And it is because he thinks that he is smarter than his creator, that his creator will soon cut him down.

The devil knew that Yah was going to raise up another Adam. Yah had already told the

serpent that it would be the offspring of a human woman would crush his head in Genesis chapter 3 verse 15. And so, all the devil could do was to try to imitate and confuse mankind to the best of his ability. And for the most part, I would have to agree that he has been successful in winning several battles. But the victory of the war... belongs to Yahovah.

And so, we can clearly see the correlation between this Golden calf, and the true sacrificed and resurrected anointed one of our Father in Heaven, who is the man Yeshua, who is the one true mediator between God and man today. Let there be no mistake about it my friends, the blasphemy is never-ending. The imagery, and the sights and sounds of the world today that lead us astray from the truth of our Fathers word all come from the throes of Egypt that is Satan's kingdom. Our festivals, and our movies, and our entertainment, by and large mostly come from the throes of Egypt. Superheroes, superhumans, godlike beings that the world worships and swoons after, and calls their heroes, are nothing but Golden calf's (Mostly created through Marvel comics I might add, and I would encourage you to do your homework on that demonically inspired sect as well).

Today's religious festivals, Christ mass, Good Friday, Ash Wednesday, Easter, advanced, lent, Valentine's Day, Halloween and all Saints day, and even the first day of the week Sunday Sabbath are nothing more than golden calves.

All created by men, all created to replace the truth of our Fathers word and his commanded appointments, all created to shake our fist in the face of the Elohim of Israel who created us. And yet, the world bows down to the pagan teachings of Catholicism and its golden calf that was created in order to replace the anointed one of Yah, our Messiah and his Father's spoken word. Even today's Protestant churches have become the daughters of Catholicism who now today protest nothing.

This week I challenge you to meditate on these things. I challenge you to take these things to your prayer closet. I challenge you to bow your head and to bend your knee and to face the holy land of Jerusalem, and to ask in the name of Yeshua Hamashiach if these things be true, or not. I challenge you to take these things and to test them through the fire of prayer, and your God breathed Scripture.

There is nothing new under the sun. Nothing will be, that has not already been done. According to Solomon who was one of the most wisest men on the face of the earth, there is nothing new under the sun. It has been already in the ages before us, back in the beginning.

Knowing this, maybe it's time we turn to the beginning of the Bible, and read about those ages that were before us.

And that my friends brings us to the close of today's study into Exodus chapter 32, which we will pick up again next Wednesday evening at 7 PM Eastern standard time.

And with that being said I just want to say thank you to all of our brothers and sisters out there who have shared your time with us here this evening to comb through our God breathed Scriptures to see if these things be true or not. It has indeed been a pleasure and an honor to be of service to you here this evening, and I look forward to seeing you at 11 AM Eastern standard time this coming Saturday morning for our seventh day Sabbath study as well.
